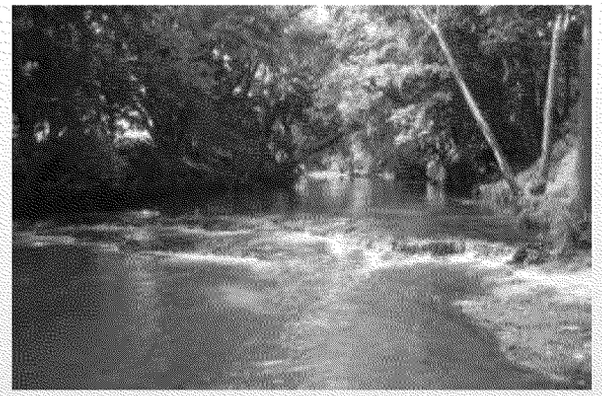
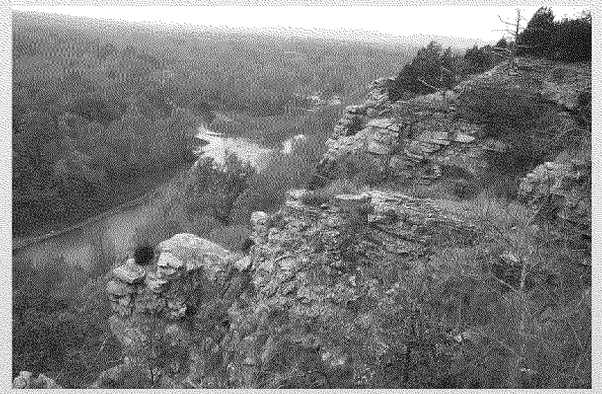
Illinois River Watershed Modeling Project

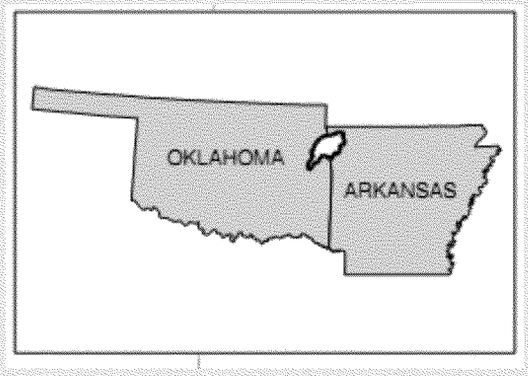
RA IDSAL BRIEFING

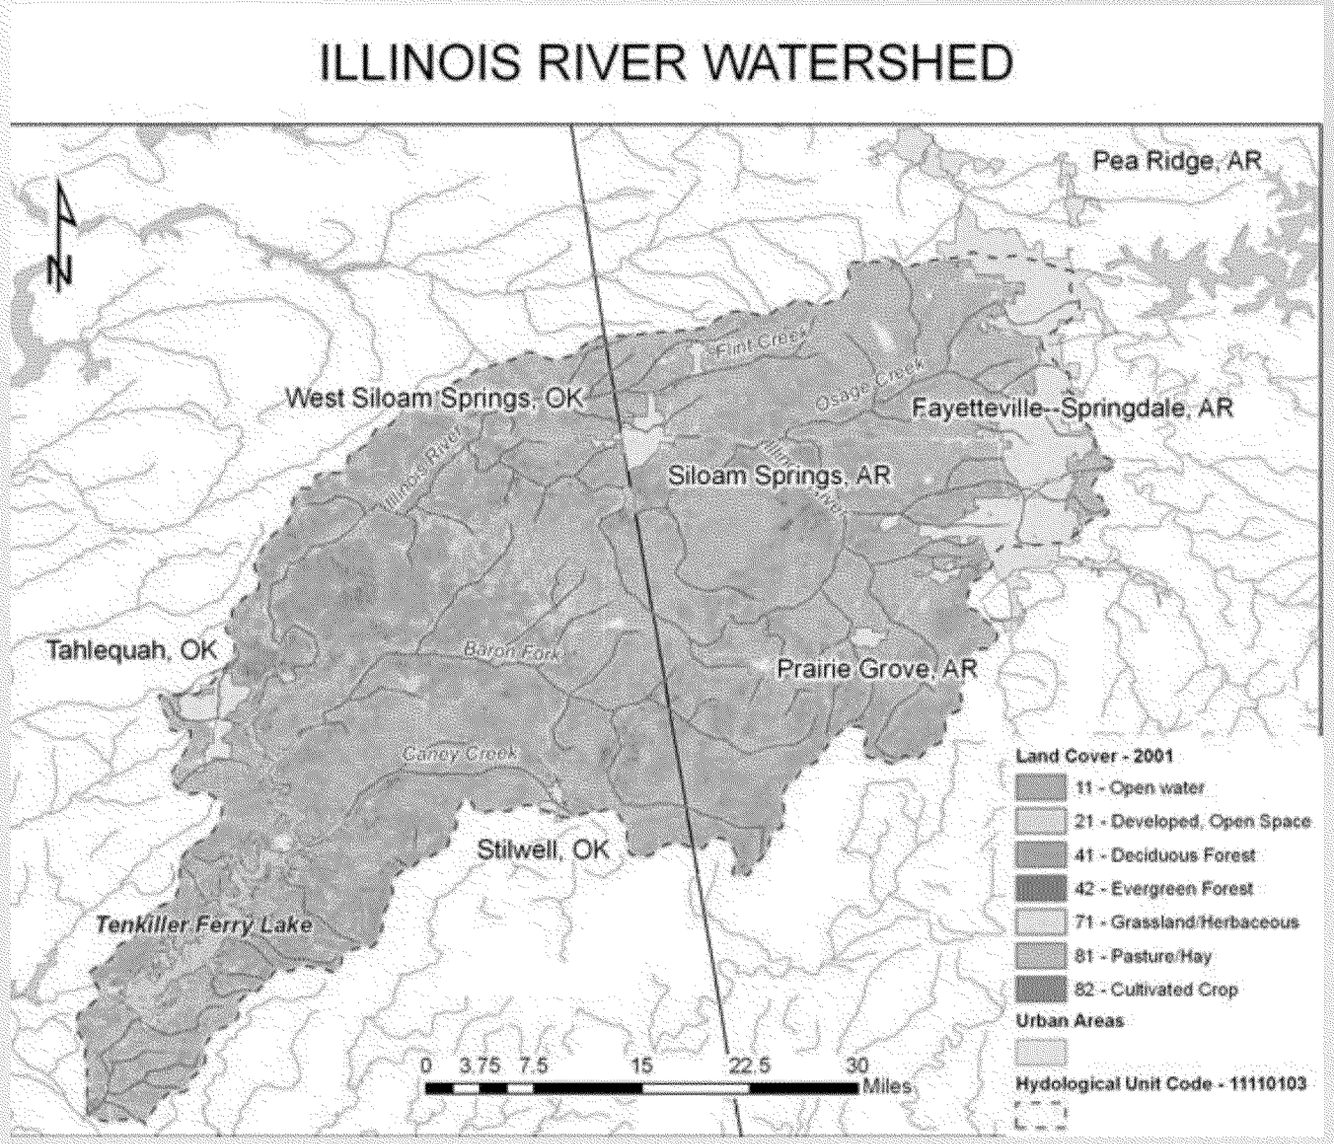
JANUARY 11, 2018





Illinois River Watershed





Options & Next Steps

- Convene a technical workgroup meeting to conclude work on the models; hand off models and provide documentation to the state agencies
- Convene a Principal's Call to introduce and engage our new Regional Administrator in a next steps discussion
- Public notice the Illinois River Watershed and Lake Tenkiller models
  - Hold a public meeting in the watershed in conjunction with the State Agencies and the Cherokee Nation
