Sabu –
Sorry for not responding sooner ... lots of deadlines to meet recently!

But we are now ready to start discussing the Baseline and scenarios for the IRW TMDL. Can you set up a call for an AM call, say 8:30AM PT, for next week, any day from Tuesday thru Friday. We need to be sure we are all on the same page for the Baseline run, and then what we want to change for each scenario. Also, we (RESPEC) need to be able to reproduce what Taim has been calculating as the TP geo mean for comparison to the Scenic Rivers standard.

Let me know if you have any questions.

Thanks,
Tony
