Subject: Agenda - Pechiney Meeting!

Hi Linda,

Please send the meeting agenda to everyone and a call in no. to Carmen for the Thurs meeting. Also a copy of the presentation would be helpful before the meeting. We will have a setup for laptop/projector and phone.
Thanks

Hi Carmen,

These are different meetings/calls. We are still on for our call with you and the City on Wednesday 11th as a follow-up discussion regarding future site grading with respect to PCBs. The meeting with DTSC and the City on Thursday is a follow-up meeting to discuss Completion Report comments and for a project update. So, if you are available on Thursday afternoon, we could tie you into our meeting with DTSC (1:30 pm to 3:15 pm) via a conference call #.

Thank you, Linda
