Hi Linda:

I just received the boxes that AMEC sent and they should contain all the reports that I have requested. I cannot wait to see the "gifts."

Thank you.

Sincerely,
Carmen

Hello Linda:

Thank you for taking the time to send me the hard copies of the reports. It is difficult for me to review those reports from the screen given their length and my bad vision.

I got a call from the City of Vernon (Alex Tong?) inquiring on the status of the Pechiney project and what else does EPA

need. I called the City back yesterday and left a voice message. I will let the City know that we are awaiting receipt of hard copies of the reports for review and will give the City an update once I complete a cursory review. Is the City needing to meet a schedule for a land transfer?

Thank you for your courtesies.

Sincerely,
Carmen

Hi Carmen,

We're so sorry for the delay getting the hard copies to you, but it appears that they were sent to DTSC by mistake. New hard copies were sent yesterday to your attention, so they should arrive soon. Please let me know if you need any additional information.

Again sorry for the delay!

Regards, Linda
