Good morning,

My name is Adriana Delfin and I am with Department of Labor OSHA. Your information was provided to us by Hugh McCullough with EPA Criminal Division.

We are contacting you because OSHA would like to know if you are conducting an investigation of the chemical spill that occurred in Atchison Kansas at MGP Ingredients on October 21, 2016. If so, we would like to meet with you to discuss ongoing activities.

Thank you for your time,

Adriana Delfin
