Importance: High

Hi,

Please see below. Mark, please do a SDWIS pull on Newark for the last 3 years and prepare a fact sheet on Newark's water system using the attached template.

Tx-Doug

Hi Pete and Walter - I don't know if you have heard, but NRDC plans to give us a 60-day notice to sue today, over lead in Newark's drinking water. We won't know 'til we see it what they're alleging, but assume it's violations of LCR and maybe allegation that DEP is failing to enforce. Just wanted you to have a heads up.
