DOCKET NO. SDWA-10-2013-0080 / Yakima Valley Dairies

Eric,

This communication is provided on behalf of Liberty Dairy LLC and its associated dairy facility H&S Bosma Dairy.

Please find attached a copy of the interim data summary describing the progress of soil sampling at Bosma Lagoons 1, 2 and 3. The sampling and analysis/re-analysis has been completed in accordance with the Lagoon 1, 2 and 3 sampling plan and the subsequent QAPP Addendum provided as requested in EPA Letter #288. We expect all data to be in hand by the end of this week and will provide updates once they are available.

It has been a pleasure working with you on this project.
