Hi Byron. Yes, we'll plan to proceed as scheduled. No concerns with Chris tying in via videoconference.

As requested, I'm attaching a copy of the deck we plan to review tomorrow. We do request that this be given confidential treatment. We can follow-up with a formal letter based on EPA's FOIA regs in 40 CFR Part 2.

Thanks. See you Thursday.

Hi Todd,

Please see my note copied below. I used an incorrect e-mail address for you in my first note.

Thanks,

Hi Todd,

I wanted to let you know that Chris has been detained in DC for the balance of the week. We very much want to keep the meeting we have scheduled with you and the rest of the team from Ford. We will still plan to host you here in Ann Arbor. Chris will join us via videoconference from his DC office.

If it is possible to share materials in advance of the meeting, that will make the meeting logistics simpler.

We are looking forward to this discussion.

Thanks,

Byron
