Seong -

Randy forwarded me your request to send out this document to you and Duc. I do not have Zack Evan's email -- I believe he is reviewing the GM AECDs.

This updated document will be in DMS on 01/26/10 in the early morning (reference filename CBI_BGMXE_CORRES_FRAA1ACD_.pdf).

Jason -

This document includes updates to the November version. I believe it is final. Any further updates will be relined and/or will have a change summary included. There are no major updates expected beyond this submission.

Your request for one PDF file was bounced back by your server. I have split it into 3. This document when zipped does not shrink as it is size optimized. I can send you a DVD if you would like. Please advise.

Steve -

Not sure if you are the correct contact for this documentation, please advise and forward.

Thank you-
