Jason,

Wanted to invite you to phone to the attached meeting next week with EPA Ann Arbor. The meeting is to provide EPA an update on 2012 MY GM SCR Diesel AECD's. We met with CARB LD / HD sections on January 27th to review our most recent releases which included final cal values. We will provide slides prior to the meeting. If you are unable to phone in, let's schedule a separate session to update you and the HD staff in D.C. Thanks.
