I guess someone should give Alan (or maybe Frank is back?) a call to see where things are? Apparently Lisa Evans is asking…

Greg sent a revised version (reflecting Stan's comments) back to R4 on July 30th, as best as I can tell.

Our front office has gotten 2 calls from the sender of this email message to see if we are going to respond. Per my conversation with Jessica I'll let Mathy know ORCR is coordinating with the region on it. (FYI – I told the caller the region normally responds to letters to the region)
