For those planning on attending the MB BlueTec events on either W, 9-19 or TH, 9-20, my info shows the start of each day's events beginning at 9:00 AM and ending at 1 PM. We should try to car pool leaving EPA at 8:30. Below you will find the agenda and MB's list of planned attendance for each day. If you are listed for the TH event and would prefer to attend on W, there's still time to make that change. Let me know and I'll contact Mercedes.

Re: Technology Presentation: Mercedes-Benz Clean Diesel BLUETEC After-Treatment Systems

Dear Klaus:

Thank you for the information and for inviting us.

For the 8 CISD visitors attending on Thursday, Sept 20th (e.g., Martin Reineman, Stephen Healy, Arvon Mitcham, Robert Peavyhouse, Lynn Sohacki, Emily Chen, Cleophas Jackson, Chris Nevers), we requested to attend the morning session (Session 1, 9:00 - 12:30). Your confirmation has us listed as attending the afternoon session (Session 2, 1:30 - 5). Please switch the individuals above to the morning session (Session 1, 9:00 - 12:30) on Sept. 20th.

Also, please add David Good to the list of attendees for the Sept. 20th morning session. We omitted him from our list. Sorry about that.

Thank you for your attention to this matter and we look forward to the presentation.
