Subject: Record of Decision for Rosemont Copper Mine
Attachments: 2017_06_05_14_42_44.pdf

To all who may be concerned:

I am writing to notify each of you that I have prepared and signed the final Record of Decision (ROD) for the Rosemont Copper Project (RCP). The ROD outlines my decision to: (1) select the Barrel alternative and approve the mine plan of operations (MPO) once amended and (2) to amend the 1986 Forest Plan by creating a new management area around the mine site. Attached please find a copy of the correspondence sent via US Mail to the cooperating agencies and the 101 objector's to the Final Environmental Impact Statement (FEIS) that was released on December 13, 2013.

The final ROD is available online at the project website: http://www.rosemonteis.us. These documents are also for review at the CNF in a public reading room and available to check out at local public libraries in and around Tucson, AZ (location provided on the project website).
