Thema Re: Mercedes: Notification of

a Running

Change

Hello Robert,

Two questions regarding the running change request to add the California Bluetec diesel to EPA test group 7MBXV03.0BN8 (Bin 8 certified).

CBI/ Ex. 4 / Deliberative

CBI/ Ex. 4 / Deliberative

Sorry for the delay in contacting you but we needed to discuss this internally before I contacted you again. Is it possible for you to respond to me today? I will then give you EPA's decision today on approving the running change request. I will be out of the office on Friday and will not return until Wednesday, 8 August.

Thanks in advance Robert.
