ADDRESS: 11 Summit Avenue
CITY: Berkeley Heights
COUNTY: Union
STATE: NJ
PRIORITY RATING GIVEN:
(BY STATE OR CONTRACTOR) Medium

AGREE:
DISAGREE: ✓
(CHECK ONE)

IF DISAGREE, WHY?
A high priority for SI is more appropriate because of the following:
1) potential contamination of soil and Passaic river.
2) unlabeled drums being stored on site
3) activity observed at the site (possibly being used as a dumping ground)
OTHER COMMENTS:

RECOMMENDATION:
FINAL (BY EPA)

A high priority for site inspection is recommended.
