RE: Shaffer Equipment/Arbuckle Creek Concurrence Letter

Dear Mr. Servidio,

The United States Environmental Protection Agency (EPA) has requested West Virginia's concurrence to list the Shaffer Equipment/Arbuckle Creek site in Fayette County, West Virginia, on the National Priorities List (NPL) of Superfund sites, pursuant to authority under Section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended 42 U.S.C. Section 9605.

The West Virginia Department of Environmental Protection (WVDEP) has assisted in the evaluation of this site. Due to the risk to the public health and to the environment, I and the WVDEP support EPA's proposal to list the site on the NPL.

West Virginia is committed to the cooperation of state and federal agencies, and WVDEP will continue to assist EPA in the ongoing evaluation of this site.

If you have any questions regarding this issue, please contact WVDEP Cabinet Secretary Austin Caperton at (304) 926-0499 or Rob Rice, Director of the Division of Land Restoration at (304) 926-0499 ext. 1476.

Sincerely,

Jim Justice
Governor
