[redacted]

SUBJECT

[redacted] Pls find out if we have PCB's in Skagit transformers.

SIGNED [signature] DATE 7/3/75

[redacted] We have 2 station service transformers at Ross Powerhouse (527 gallons each) of Inertine, which is the same as PCB (Polychlorinated biphenyl). The X'formers are located inside the Powerhouse, and they are the only PCB storage on the Skagit.
