Phone Log

Date: 1/18/89 Time: 1330

Case Name: Synkote File #: 02-11-04

Summary Of Call: Spoke to Barbara Strollo of ECRA regarding situation at Synkote. Barbara said the case has been in the AG's office for 2 years and the attorney assigned to the case recently left. A new attorney is to be assigned and the case will supposedly be high priority.

I told Barbara that Metro may ~~seek~~ seek emergency funding authorization for drum removal. I also advised her that BPA has done a preliminary site survey and will do soil sampling next week.
