Updated RA Invitations list attached. -Erin

--

I couldn't find a morning time this week so we have to do the first event calendar with Corry driving her car. Hopefully this will let Corry be on some remote highway for the conversation.

Attached is the current list of invitations as well as other events that are on our radar.

Subject OSC's Virtual Hatch Act Training
Location Virtual Only
Show Time As Busy

This Meeting will be held VIRTUALLY ONLY.

At the request of the Administrator, please join him and the EPA Ethics team for a special presentation about the Hatch Act featuring Ana Galindo-Marrone. For the past 20 years, Ms. Marrone has been the chief of the Hatch Act Unit of the Office of Special Counsel. Ms. Marrone and her staff are responsible for investigating and prosecuting Hatch Act violations. We are honored that she is available to give this presentation to our political appointees. Please join us in Microsoft Teams on Monday, July 13 from 4:45 to 6:00 pm EDT.

Although this session will not count for your one hour of annual ethics training, EPA Ethics knows that you'll find it very informative. As you know, the Hatch Act limits certain political activities of federal employees. This session will guide you in understanding your obligations and responsibilities under the Hatch Act. Attached for your early reference are Ms. Marrone's slides, and we will structure the presentation to allow for your questions.

Please be mindful of the following reminders:

* Even if you are attending in-person in the Alms room, you should bring your laptop.

* BEFORE signing into Teams, disable any VPN connection. Otherwise, your audio quality and connection may be adversely impacted.

* Click on the Microsoft Teams link below to enter the virtual training room.

Hello BEP Members: I know it has been a few weeks since we have had our listening sessions. In the meantime, there has been some regional training, "Race, Resilience and the Role of Being an Ally", that has been very helpful. If you have not had an opportunity to sit in on one of the sessions, make sure you try to sit in on tomorrows session. I think you will find it very useful in the healing process.

I am attaching some issues/concerns that were captured during our listening sessions. These can be discussed during our future listening sessions, as we map out next steps and our plan of action to move forward.

Thank you,

Subject: Re: Pre-record Session

I believe that for the pre-record session it is set with Zoom (thru conference/Falcon events).

The meeting with Jon, Ken and Bob is separate can be set up as Teams mtg. (There are two dates/times pending for finalizing.)

Sorry for confusion on mtgs, Susie!
