Thanks John!

Yes, it was frustrating, but in the end I'm very happy with what we developed.

Jason

Jason/Barb/Tara and Steve:
I want to thank you for your really hard work on this.
I know its been very frustrating, but we can be satisfied that what we sent forward is quite good, and that's most important.
Despite the difficulty it was a pleasure to work with you on this.
Thank you.
John
