Dr. Packham,

Congratulations on being selected by the EPA Acting Administrator for CASAC. I understand that your personnel onboarding is proceeding smoothly. We are awaiting the Acting Administrator's official announcement in early October and we expect that the CASAC will begin work soon after.

In the meantime, I am attaching the SAB Member Handbook, which will give you a general idea of what being a CASAC member entails and a presentation developed by one of our former CASAC Chairs (Dr. Chris Frey) that provides a good overview of the CASAC. I am also attaching the EPA policy regarding communications between members of scientific and technical Federal Advisory Committees and outside parties as well an Ethics Advisory that describes ethics obligations for special government employees.

Feel free to reach out to me if you have any questions or if you would like to chat by phone.

-Aaron
