2nd Quarter Air Quality Data Report

James Regehr to: Joshua Tapp

02/14/2012 01:55 PM

From: James Regehr/R7/USEPA/US
To: Joshua Tapp/R7/USEPA/US

Josh,

Here is the 2nd quarter 2011 Air Quality Data Report. This report is somewhat delayed as we have had an unusually busy late 2011 and early 2012. I am currently working on the 3rd quarter report, which I plan to have available in approximately 2 weeks.

Please distribute as needed.

Thank you,
James
