Erin, here's Bill's slides. This was a public meeting, so the slides should be made publicly available. NAS did say at the meeting that they would post presentations to their web, but likely haven't done that just yet.

Hi Bill,

Would you be able to share your slides from last week's NAS event with the reporter from Politico. I did a quick search to see if the slides are online but came up dry.

Thank you!

-Erin

Hi all –

I'm heading down to NAS for the fuel economy event. Any chance I could get a look at Charmley's presentation before or after?

Thanks,

Eric
