I will head over this morning, should be there by 10:30. Even an early lunch is ok as long as I can get back to Crystal City by 12:30.

Richard, if you won't be here @lunch, do you want to grab a coffee in the morning?

Gentlemen,

I'm coming in to DC later today, but would like to drop by the NPFC to say hello, check in on our OSLTF class and the LST 1166, and a small spill case. Hope you're available in the morning or late afternoon. If not, perhaps I can catch you at another to time. Also, since I don't have Richard Bose' email on this blackberry, can you forward this to him as well. Thanks.
