No, I'm working on the Approval Memorandum now, will have to get Dan O's sign-off first. Would hope that can be in a couple of weeks.

Hi Lynne,

Please find attached CERCLIS forms you need for LST-1166. This is an odd site, due to its being a USCG-lead site. They are the Federal On-Scene Coordinator for it; we're only assisting them. So.....filling out the

RV Site Data Collection form was a bit different. Hope this works. Please let me know if you need more info.

Thanks,
