Mark,

Sorry to be delayed in getting back to you. I have been flying back to the US today. My team is available for a call on July 22 at 3:00 pm ET (1;00 pm MT). Please let me know if that works for your side.

Best regards,

Andrew

Mr. Otis:

I need to be out of the office tomorrow as it turns out and likely will be out of cell phone range during the time we set for our conference call. I apologize for cancelling without hearing from you first. Let's touch base on Monday morning to reschedule our call hopefully for mid-week.
Thank you.

Mr. Otis:
I wanted to follow up with you regarding our tentative plan to have a conference call tomorrow at 12 noon MDT to discuss EPA's open house/availability session. I would like to suggest that we consolidate our discussions about the August 5, 2015 site visit, the agenda for the AOC negotiation, and EPA's open house/availability session during a conference call next week. Wednesday, July 22nd, is wide open on my calendar. Would that day work for a conference call for you? I will be out of the office on leave on Thursday and Friday of next week.
Thank you.
Mark

Mr. Otis,
Thank you for providing CFAC's comments on the draft AOC in advance of our August 5th meeting. This is to confirm that EPA is still available to meet with you and company representatives on that date. I look forward to meeting you in person and to a productive discussion. I will get back to you on a proposed date during the week of July 20th for a pre-call to discuss the agenda for the August 5th meeting.

I also wanted to let you know that EPA is planning to hold an open house/availability session for the Columbia Falls community on the evening of August 5th. We would be happy to provide you additional information during our pre-call next week. Thank you for clarifying earlier this week the timing for CFAC's open house this fall.
Mark

Dear Mark,

Attached please find, in track changes, comments from CFAC on a Word version of the Draft AOC that attached to the EOA Demand Letter dated June 9 that you sent to Steve Wright. The comments are subject to further review by CFAC and CFAC retains all rights to change these comments or make additional comments going forward, especially but not limited to the subject of Financial Assurance. We look forward to discussing these comments with you in Columbia Falls on August 5. Please confirm that we are still scheduled to meet there on that date.

Of course, please feel free to contact me if you have any questions about the comments prior to August 5.

It probably makes sense to have a pre-call to discuss the agenda for the August 5 meeting. I am generally available the week of July 20. Please let me know what works best for your team and I will check availability on our side.

Best regards,

Andrew
