ROUTING

CALL FROM: Inda Dawson

TITLE:

LOCATION & PHONE NO.:

DATE: 11/10/81

TIME: AM

CALL TO: Dany Koch

TITLE: IDHW

LOCATION & PHONE NO.:

SUMMARY OF CALL: RE: Drexler Enterprises, Rathdrum, Id
TOM DREXLER - operator
Dayl talked to T. Drexler approx 1 year ago; he indicated that they would be handling about 8,000 gallons/mo waste oil (primarily from Kaiser Alum) and 200 gallons/mo of MEK and toluene from United Coatings in Spokane. Facility makes a fuel extender.
Koch has been trying to get an inspection scheduled (actually the local health dept) but they're having trouble getting ahold of anyone at the facility. As of 2 weeks ago there appeared to be no activity at the sight. Don't know if tanks are still holding waste.
Please contact Dayl if + when we decide to send someone out there.
