Thanks, Rich. That will be great.

The reporters that seem to have covered the site most are:
Tristan Scott – Flathead Beacon
Richard Hanners – Hungry Horse News
Chris Peterson – Daily Inter Lake
Samuel Wilson – Daily Inter Lake

Sounds good. Just remind me and Lisa the day before you want to send the release. I can also send to any individual reporters who are regular customers on CFAC. Tristan something from the Flathead Beacon? Anyone else?

Hi, Rich.

Thanks for the edits! Attached is the final version. I'm going to keep the language about the benefits of the Superfund program for communities because that is a key message we are wanting to convey at the open house.

Yes, I think sending it a week before is a good idea. I haven't used your press release system before. Is there a process I need to follow, or does this email suffice?

Thanks for all your help!

Cynthia

Cynthia—thanks for this, looks good. You are busy! Couple small suggestions, use what you think works. Probably send a full week before? Let me know and we can send it thru our press release system here....

Hi, Rich.

Could you take a look at the attached press release for an open house/availability session in Columbia Falls, and let me know if you have any suggested edits? There is only one daily paper in the area but a couple of weeklies. Do you have any suggestions for when I should send it to the local papers?

Thanks!
Cynthia
