Hi Katherine,
Thanks for your note. The meeting on August 5th is the initial EPA-CFAC negotiation concerning the draft EPA AOC and RI/FS work plan. I would prefer at this time to keep attendees to EPA (myself, Mike Cirian) and CFAC representatives. I would be happy to provide you an update after the meeting.

Mark,

Mike Cirian mentioned an attorney meeting for the Columbia Falls Aluminum Plant AOC on August 5 in Kalispell. Tom Stoops and Lisa DeWitt requested an official invitation from Mike for me to attend, but I thought I would follow up directly with you. Is the August 5 meeting still occurring? If so, could I attend?

I hope you are enjoying your weekend.

Thanks,
