Hi Mike,

I did some editorial changes adding the QA stuff. Can you verify the correct name of the site? I was on a call with Joe today and I wanted to make sure the name of the site is correct. I will also need the completed QARF form and you need to sign it and mail me the original. QA wants the original before they will review this. Thanks.

Here is the SOW and IGCE for the Columbia Falls Aluminum site. Let me know what you think?

Thanks
