Thanks Robert,

These look good. I added one item which was in the reuse section:

- The CFAC site is privately owned and Glencore has no immediate plans for redevelopment.

Thanks again for the timely response,
Mike

Hi Mike,

Please find attached draft talking points for the RA for his upcoming CFAC visit. Mostly copied and pasted from previous letters/materials. You may want to add if I missed anything and remove some of the content that may not be useful. Let me know if you have any changes. Thanks Mike!

Hi Robert,

How is the "Talking Points" going? I just got a call from Martin Hestmark and he is looking for Shaun's Talking points.
