ENFORCEMENT SENSITIVE

WA 2917 4.13.90

- joint 3008(h) order not common — may require HQ review

- disinclined to deviate from model lang or lang. prev. approved by HQ

- ¶8 ~~Em~~ CP concerned about possibility that they lose lease or go into closure
  ↳ JH no objec^n in principle

- Only a small por^n of facility would be permitted, remainder would be closed $\bar{p}$ 1992 or permit issuance

- 19A — JH doesn't like — ↑ exposure of Navy, prob. wouldn't fly w/ HQ

- 30E — Unclear — may simply clarify intent
  ? problem re changing boilerplate

- 31A "forseeable" — JH — grave reservations

- 33B Won't agree to restric^n on authority to restrict
  F EPA's statutory authority

- 36 — may be able to delete

Attachment B — follows guidance for CAP
OSWER 9902.3

(SB — no problem)
