AC Communication

Given the multiple tracks with the CFAC site, I wanted to pull folks together to make sure we're coordinating, all aware of each other's actions, and all on the same page. I think everyone is needed for this discussion, so let me know if this time doesn't work. I'll find a conference line and will send out the call in information next week.

Agenda
NPL Proposal update and timeline (as of today, it's looking more and more likely we'll be able to propose the site this March)
AOC update and timeline (Mark/Scott)
Discuss need for Stakeholder and Public Notification
Other items?

Potential Outcomes
Communication Strategy Update
Website Update
