Who all did this notice ultimately go to assuming it was sent out? I have a call from Warren at CDPHE and would like to follow up. This is the last email I saw regarding this situation. Thanks, Libby

All- Draft statement on Gold King mine release attached. Please offer any edits and comments, etc. by 4 pm.

We are still determining whether to issue to news media proactively or to use only if and when called.

No calls yet, My initial inclination is to see if this generates calls before sending widely.
