Dear Geri:

Here is the priority list for Missouri that you requested. Some of the firms in our Jefferson City Region, second priority, are really not an overall state priority.

Codes on the left are state region. The industries are not listed in alphabetical order.

St. L = St. Louis
K.C. = Kansas City
P.B. = Poplar Bluff
Spr. = Springfield
J.C. = Jefferson City
M = Macon

Below the region will be the priority one, two, or three.

I hope this information will be helpful.

Sincerely,

Paul Meiburger
