Last question. Are you Rich or Richard?

"EPA Public Affairs" is fine.

DEQ will be sending it. Their goal is this week, but we'll see. I'll also be asking for their key messages and will be sending ours so we can be on the same page for when this goes out.

It's their meeting so I'm going to leave the intro language as such. I'd like to keep you as the media contact. What title would you like?

Forgot to ask, when are you sending this? and would this be sent by EPA or from MDEQ?

Thanks Rich. Chris had the suggestion of making you the media POC and me as the public POC. Are you okay with this?

FYI – I don't think Chris attached the document. Here you go. Would you be able to take a look early next week?

I can try to get to it Monday morning, otherwise I can't until Wednesday or Thursday. Perhaps Rich should take a look as well.

Attached is our draft of the press release for the CFAC meeting. Please pass it on to whomever you need to and get us your comments back. Jenny Chambers wanted to send it out sooner rather than later, so I was thinking next week so that we don't do it the week of Thanksgiving. Please let us know what you think. Please make your changes and edits and get it back to us.

Thank you!
