Hello everyone,
Attached are two analyses that I promised to send at our previous meeting. Apologies it took so long to put them together (it was somewhat of a manual process).

- Analysis of Projects by Type of Work (as identified on the project announcements)
- Analysis of Mid Pilot survey results

Also, for your convenience, the documents that we are working through in the team discussions are attached.

Looking forward to your participation in our meeting on Monday March 31, at noon Eastern.

PS: I also checked schedules for potential meeting times for future meetings and it appears that April 14 at noon is the next available time for all team members.

Please let me know if I can be of any further assistance.

Many thanks,

Noha
