Subject: Coordination Meeting

Hi Bill -

I was wondering if we could look at scheduling a coordination call next week. Our governor's office received the attached letter from the Flathead County Commissioners meeting regrading CFAC. We are wondering if EPA has a position regarding the Superfund Alternative Approach and if the statements in this letter is correct.

In addition, to CFAC I would like to touch base on a few other topic areas:

- East Helena Superfund Site – American Chemet and initiation of CERCLA negotiations.
- Update on OU-1 Neihart

Times currently open for a call are:
Thursday, Feb 11 – 10:00-12:00 or 1:00-3:00

Friday, Feb 12 – 8:00-10:00

Thanks -
Jenny
