Conversation Summary

Jacobs (Questions/Replies)	Contact (Questions/Replies)
(2) Consider it done.	(1) I am calling to ask Jacobs to discontinue all work and charges to the Litton Systems site in Springfield.
(3) Why are we not finishing the project?	(4) MDNR has pursued a consent order from Litton for the complete site cleanup. Litton has signed this consent order.
(5) Would you like Jacobs to complete a site closeout letter?	(6) Not for several weeks as Pete Culver (WAM) is on vacation.

Action Items	Due Date
1 Discontinue work on the Litton SIP	ASAP
2 Return EPA files with any additional materials	ASAP

Conversation Summary
(Continued)

Jacobs (Questions/Replies)	Contact (Questions/Replies)
(8) Jacobs will return it immediately (tomorrow)	(7) I would appreciate it, if Jacobs could return the EPA files to the records center along with any additional information obtained from MDNR, etc. Litan has requested to peruse the files.
	(9) Pete may still task Jacobs with the completion of the SIP report for the site, however, please discontinue all work on it for now.
