Mr. Benjamin Washburn,

I am a concerned citizen of North County and a marketing representative of New Solutions, LLC We have products are effective in the area containment of Atomic Waste.

Co. MPI Product/ArmaKap

Due to experiments around the invention of the Atomic Bomb for the 2nd World War, by products came to be. Our goverment and the Scienic communitys have experienced a learning. Which means what we do not can hurt us.

Overtime new methods evolve, new materials come into Play - ArmaKap.

It is being presented March 8th, 2018 by the Dept. of Nuclear Engineering of North Carolina State U.

I can provide more information
