Subject: Please review - Site assignment/phone list
Attachments: __2018(July_12)EPR-SR.directory_SITEassign.docx

Hi all...I've updated the site assignment/phone list, and this time I've added in work cells, if available. I know I am missing some work cells, and this is compounded by me recently getting a new phone and losing some #s in the transition.

Would everyone please check their numbers/site assignments and get back with me with corrections/updates by Friday, July 20th?

Note - The final list gets sent out more broadly than just our group in EPR-SR, so please do not include your personal numbers.

Please let me know if you have questions. Thanks, all!

Fran
