I, Exemption (6) Exemption (6), hereby make the following statement to Exemption (6), who has identified himself/herself as a preliminary inquiry officer for the Aggressive Manner of Instruction.

During a checkup flight, a miscommunication or disagreement about the airspace cause CDR Dupont to take the controls and initiate a climb to avoid a violation. We discussed it after the fact and we explained our understanding. After that, I continued on with my syllabus. No other issues.

I completely dispute there was aggressive instruction.

I swear (or affirm) that the information in the statement above and on the ___ attached page(s) is true to the best of my knowledge or belief.
