Hi Laura,

See Dick's email below. Make sure there isn't anything in his/contractor's comments that need any further action. Let me know before I approve BERA work plan.

Thanks
Mike

Mike,
The DEQ appreciates the opportunity to review the various work plans, deliverables, comments, and responses to comments associated with the CFAC RIFS BHHRA and BERA.

Attached are some comments on the October 25, 2018 version of the BERA work plan. It is not necessary for CFAC to respond to these comments with an updated version of the BERA work plan. The DEQ would like CFAC to address these comments in the BERA report, scheduled for March, 2019.
Please contact me or Katie Morris if you have any questions or comments.
Thank you.
Dick Sloan

Hi Dick,

CFAC/Roux has accepted our comments and incorporated them. I wanted to see if you have anything further before I send off the BERAWP approval.

Mike

Mr. Cirian,

We received CDM's additional comments on the BERA WP yesterday. CFAC/Roux agree with the comments and all the requested edits were incorporated into a final document.

This e-mail is to notify you that a link to download the Final BERA WP (dated November 15, 2018) has been sent via our secure file exchange. We have also included a redline version with just the most recent edits for your convenience.

If these edits are acceptable to you, please provide an EPA approval letter for the Final BERA WP.

Thank you,
Laura
