NAME OF PERSON(S) CONTACTED OR IN CONTACT WITH YOU: Dick Grote

ORGANIZATION (Office, dept., bureau, etc.): Iowa Dept. Nat. Resources

TELEPHONE NO.: 712 243 1934

SUBJECT: Chevron, Council Bluffs, Iowa
IAD000651026

SUMMARY: I called Mr. Grote to return his 2/14/91 call. He had called to find out what information EPA had regarding the subject site. I had pulled the RCRA + CERCLA files for the site. Based on my review of the RCRA files I told Dick that the site had been a RCRA hazardous waste generator (but had not been involved in TSDF operations). I also told him of two reports in the CERCLA file that Chevron had conducted to define environmental contamination at the site. I told him some of the findings in those reports. I told him I could not release those reports to him (since they are SPFD rpts). I told Dick to contact Anne Olberding (RPM) if he needed copies of the reports. IDNR was requesting this information because the current owner is bankrupt ~~[illegible]~~ the bank wants to foreclose on the property. the ~~2/15/91~~ present owner is telling the bank the property is contaminated.
