Subject: E-Scrap 2018 Is Quickly Approaching

JOIN THESE COMPANIES AT E-SCRAP 2018

Now in its 16th year, E-Scrap 2018 is where the electronics recycling industry meets. The 2017 conference brought in over 1,200 attendees from 32 countries. This year's conference will offer a bustling exhibit hall, tear-down demos, and info-packed presentations and Q-and-As featuring the leading industry executives and associations. Don't miss out on the opportunity to meet new faces, close deals and learn how to keep your business ahead of the rest.

Please visit our website at www.e-scrapconference.com for more information.
