Can we start at 4? Concerned that 4:30 won't give us enough time to make meaningful progress.

Not sure if Nikki's around, but you and I can go through it like we were thinking we'd do. Got a couple of things to get done here over the next hour. How about 4:30?

I can make 11 tomorrow work. I will ask Steve and if not him Henry to join.

Are we going to work through the last issues in the CD this afternoon?

Following up on the voice mail I just left you to see if you are available for a call with Beverly, Dick and me tomorrow at 11 a.m.

I'll try to get back in touch after my calls this afternoon.
