Subject: update

Steve is sick and won't be joining the call today. Nikki is planning on joining around 12 after another meeting. Let's you and I talk around 11:50 or so to get our game plan together for the call with Doreen. I don't know if anyone else from NEIC will be on, but I'm going to try to find out. In the very least, we can ask about the two areas of concern, what they recall, and see if they have any thoughts on the regulatory question.
