But, of course! In fact, we probably should have a 5 or 10 minute pre-call with the team to make sure we're all on the same page about the call and exactly what we want to discuss. I think we're pretty well squared away, but still, it wouldn't hurt for us to talk at 11:45 or so on Tuesday.

Of course – I just wanted notice so as to have some time to prepare for the call.

Looks like for some reason your email below that was sent before 2 pm didn't get to me until after I had already notified you about the call. Rest assured that EPA isn't having a call with NEIC without our DOJ counsel!

Bob,

I texted you my availability this morning, and it is now almost 2 o'clock, when I think a call may be taking place. What is the plan for talking with NEIC? I am around and available.

Thanks,

Andrew
