FYI. Tanya mentioned a call this week, but I think she meant the PCB Coordinators call next Monday.

Hi John, and thanks for sending this information. I appreciate the timeline of events leading up to where we are today. As I mentioned, Peter Gimlin of my staff will be talking with the regional PCB coordinators this week to make them aware of an upcoming meeting with my regional counterparts I'd like to have in late February/early March, Deliberative Process / Ex. 5

Good Day Jeff and Tanya,

Please find attached an updated briefing paper describing the decision-making process underlying Region 3's issuance of the NON to Hazelton Creek. This was prepared upon request to inform the conversation on the subject. I look forward to continuing the dialogue and if you folks need any additional information please do not hesitate at contacting me.
