OFFICE OF ECOSYSTEMS PROTECTION AND REMEDIATION

SPCC Compliance Assistance Workshops in the Four Corners Region
Key Message: EPA Region 8 is working with oil program counterparts in EPA Region 6 and 9 to provide a SPCC/FRP Compliance Assistance workshop in the four corners region on September 18 and 19, 2018.

- Ute Mountain Ute has offered to host the workshop on their reservation.
- The objective of the workshop is to provide compliance assistance for both tribal entities and oilfield professionals to clarify requirements under SPCC and FRP and provide facility owners/operators what to expect during a SPCC/FRP inspection.
- The impetus for this workshop is in response to compliance assistance requests by both the tribe and new oil operators on the reservation.

NEXT WEEK:
Region 8 Partnerships and Environmental Stewardship's Lead Outreach Program invited to present at Denver Urban Renewal Contractor Event on EPA Renovation, Repair and Painting Rule
Key Message: Clyde Wilson, Lead Outreach Program, will participate in a Contractor Appreciation and Education forum with the Denver Urban Renewal Authority on July 18, 2018, to answer contractor questions regarding the lead Renovations, Repair and Painting Rule.

- The Denver Urban Renewal Authority (DURA) was created by the City and County of Denver in 1958 to assist in property redevelopment and to help foster Denver's growth and development.
- DURA provides financial assistance to support redevelopment activities throughout the city. These include single family home rehabilitation, emergency home repair, historic preservation, brownfields redevelopment, infill development and neighborhood revitalization.
- The event will be held at the Mile High United Way Office at 711 Park Avenue W in Denver. 40 contractors who provide services for DURA are expected to attend.
